

## RECOVERY FUNDS AT WORK IN OHIO'S SIXTH DISTRICT

### Wilson Announces Transportation and Rural Program Funds from the Recovery Act Funds Will go to Transit Authorities and Rural Community Facilities

WASHINGTON, D.C. – Congressman Charlie Wilson (OH-6) is pleased to announce that the U.S. Department of Transportation and the U.S. Department of Agriculture have posted that they will release funding to Ohio as part of the American Recovery and Reinvestment Act of 2009.

#### TRANSPORTATION

According to the U.S. Department of Transportation, Ohio will receive over \$9 million in Federal Aviation Authority (FAA) and Federal Transit Authority (FTA) funds for investments in equipment and technology that will help meet Ohio's transit needs. More than one million dollars will go to Ohio's Sixth District.

"I am very pleased to announce the release of these Recovery funds for Ohio's Sixth District," Wilson said. "This money will create jobs, increase the efficiency of public transportation, and reduce general travel expenses for working families across Ohio. The funding represents a continued commitment by the Obama administration to protecting the livelihoods and security of Ohio's families."

Of the Ohio funding, \$1,090,986 will go directly to Ohio's Sixth District. Projects include:
